

CARDINAL WISEMAN

CATHOLIC SCHOOL

Newsletter Issue 25 June 15 2018

LEADERSHIP UPDATE

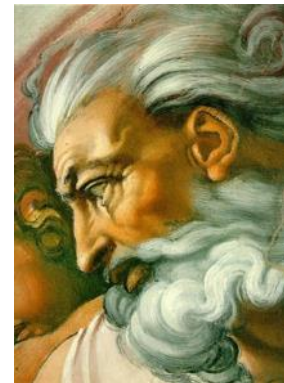

This week our Malawi Expedition students have begun making their final preparations for their forthcoming trip to our partner schools in Malawi. This is the culmination of months of work and we would like to take this opportunity to thank Miss Greenway, Mr Nagle and Miss Stundon for all the work they have done in organising this invaluable trip.

The link with the Malawi Trust has grown over the years and now marks a regular part of the school calendar with the fundraising ball in the Autumn, cake sales and charity events in Spring and of course the expedition in the Summer. This year the trip will return on an earlier date so the students will be able to share their experiences with the rest of the school community at the end of year Mass.

This weekend we mark Father's Day and we would like to extend a thank you to all of the fathers in our school community. We recognise that your contribution is invaluable and we offer up this prayer for you and wish you a restful weekend!

God, our Father
Bless these men,
That they may find strength as fathers.
Let the example of their faith and love shine forth.
Grant that we, their sons and daughters,
May honour them always
With a spirit of profound respect.

The Leadership Team

Key Dates

Parents' Evenings will be taking place between 3.45 –6.00pm on the following dates:

Year 7 Wednesday 20 June

Year 9 Thursday 28 June

Year 8 Thursday 5 July

Year 10 Tuesday 10 July

New School Prayer

This week all teachers and students were introduced to the Cardinal Wiseman School Prayer. It is a simple but serious expression of our ambition to place Christ at the centre of our school community in all that we do. The prayer also contains the mission of our school, being the translation of our motto *Omni Pro Christo*, or, Everything for Christ. The prayer will be recited during all lessons during the school day, but does not replace other prayers that will be said in Forms or during Collective Worship in Assemblies.

All that I think.
And all that I say.
And all that I am.
Everything for Christ.

YEAR 11 LEAVERS' MASS

The Leavers' Mass for Year 11 will be held on
22 June at 1.00pm in the Main Hall
and all of Year 11 are invited to attend. If anyone would like to contribute to the Mass by reading, singing or playing a piece of music please see Miss Greenway in the Year Office.

Thank you

Congratulations to the following Year 8 students who have been working hard with the Year Team during last half term, and continue to do so this half term, to improve their attendance.

Each student has received a weekly incentive for their efforts and, as a result, have made a significant improvement to their attendance. Thanks also go to parents who have supported their child's attendance during this intervention.

Prom Night

**The Year 11 Prom is being held at Coombe Abbey Hotel on
6 July 2018**

Students will be treated to a sit down meal, professional photography, an award ceremony and a DJ to dance the night away.

Miss Greenway and Mrs Osborne are in the process of sorting out who will win the coveted awards and are really looking forward to celebrating with such an amazing, hard working group of students.

Could we please remind parents that they need to pay using Parent Mail or come to the Year Office to collect a bar code in order to pay at any pay point.

Congratulations to Miss Wale

Since January, Miss Wale, a member of Cardinal Wiseman's Science Faculty, has been one of only 150 teachers in the UK accepted on to the pilot for the Chartered Teacher Programme and has recently successfully completed Phase 1.

The programme has been developed by the newly established Chartered College of Teaching and "will recognise the knowledge, skills and behaviours of excellent teachers".

The programme includes a range of different assessments to test applicants' skills and knowledge against those set out in the Chartered College's Professional Principles. Areas include deep subject knowledge, understanding of pedagogy and assessment, excellent classroom practice, as well as critical evaluation, engagement with research evidence and a desire to contribute to the profession.

Dame Alison Peacock, Chief Executive of the Chartered College of Teaching, explained: "Those achieving Chartered Teacher Status will be recognised for evidence-informed, high quality teaching practice, benefiting the young people we teach while raising the status of teachers and their important role in education and society".

The school would like to congratulate Miss Wale and show our appreciation for the strength we gain having staff like her supporting the development of teaching and learning across the academy.

The Malawi Team held a film night on 12 June to raise funds for their upcoming charity trip. It was a lovely evening for Years 7 and 8 who enjoyed watching 'The Greatest Showman'.

Due to its success, they will be holding another film night on Tuesday 19 June at 4pm in the Main Hall. They will be showing 'Black Panther' and Years 7, 8 and 9 are welcome.

There will be a £2 entrance fee.

Safeguarding

relate
the relationship people

Parenting teenagers can be challenging and many parents find it hard to adapt to changes in their child's behaviour as they grow up. On the Relate website you will find lots of practical advice on how to deal with common teen issues.

If you have any questions, counsellors are available to help - you can talk to them free online.
