

Cardinal Wiseman Catholic School

Part of The Romero Catholic Academy

4 June 2018

Dear Parents and Carers

Homework and Knowledge Booklets

I would like to make you aware that this term's Knowledge Booklets will be distributed to Year 7 and Year 8 students this week. Subjects will post the booklets onto Class Charts and they will also be available on the school's website under the **Students & Parents** tab entitled **Homework**.

Class teachers will set homework from the Knowledge Booklets for students to spend time learning important information, as part of our Key Stage 3 Knowledge based curriculum. Homework will be set using Class Charts. If you have an android or smartphone the Class Charts Parent App can be downloaded to allow you convenient access to homework that your child has received.

Additionally, this App also allows you to view positive or behaviour points that your child may have gained in a similar way to the new SIMs Parent App, which also allows you to view information about your child via an App on your mobile. The SIMs Parent App replaces the Learning Gateway which will no longer be accessible. You will be able to access information about attendance and behaviour, as well as see certain reports as they are uploaded and we hope this information will be useful to you. Homework will however only be available through Class Charts.

Finally, the school library is open until 4pm Monday to Thursday for all students to use once lessons have finished. A wide range of resources are available to help support your child with their studies.

Yours faithfully

Laura Burtonwood (Ms)
Assistant Principal

Executive Principal: Mr Anthony Quinn

Principal: Mr Thomas Leverage
