2018 ~ 2019

Responsible for Policy:	School Improvement Board (Interim Academy Committee)
Date of Policy:	April 2018
Date of Review:	April 2019

The school is named after Cardinal Nicholas Wiseman who became the first Cardinal upon the re-establishment of the Catholic hierarchy in England and Wales in 1850. His coat of arms is displayed on every student's blazer. The motto is 'All things for Christ' therefore faith is at the heart of everything we do, as well as recognising that we are all made in the image of God.

DEFINITION

Controlled assessment is a form of internal assessment which replaces GCSE coursework. It encourages an integrated approach to teaching, learning and assessment. It is intended to enable teachers to authenticate and confirm that students have carried out the assessment task set in accordance with their exam specification.

Controlled assessment applies control over internal assessment at three points: task setting, task taking and task marking. Three levels of control apply – high, medium and low.

RESPONSIBILITIES

Senior Leadership Team

- Accountable for the safe and secure conduct of controlled assessments. Ensure assessments comply with JCQ guidelines and awarding bodies' subject-specific instructions.
- During the period from April to July, begin coordinating with heads of department/subject to schedule controlled assessments. (Spreading them out through Key Stage 4).
- Map overall resource management requirements for the year. As part of this resolve:
 - clashes/problems over the timing or operation of controlled assessments
 - issues arising from the need for particular facilities (rooms, IT networks, time out of school etc.).
- Ensure that all staff, parents and students have a calendar of events.

Heads of Department / Subject Leaders

- Ensure access arrangements have been applied for.
- Work with teaching staff to ensure requirements for support staff are met.

TASK SETTING

In accordance with specific GCSE award body guidelines, subject leaders will be responsible for the selection of controlled assessment tasks from an approved list or setting up a centre specific task. Subject teachers will ensure that students understand the assessment criteria for any given task.

TASK TAKING

Controlled assessments will be undertaken with three levels of supervision:

- Formal (high level of control)
- Informal (medium level of control)
- Limited (low level of control)

Subject Leaders / Teachers in Charge of Subject will be responsible for ensuring that an appropriate level of supervision is in place for each part of an assessment task. Levels of supervision are clearly outlined in each subject specification.

At this school formal supervision means:

- Candidates will be under direct supervision at all times - in most cases, supervision will be undertaken by the class teacher.
- Use of resources and interaction with others will be limited to what has been specified by the GCSE awarding body.
- Tasks will be undertaken during normal timetabled lessons in the usual teaching base.
- Use of mobile phones and internet / email access will be prohibited.
- If candidates have to use electronic storage devices for their assessment work or related resources, appropriate checks will be made to ensure only permitted material is accessible (See ICT Support).
- Subject specific display material with direct relevance to an assessment task will be covered.
- A **record will be kept of the time, date** of each assessment together with the name of the supervisor(s) and **all students present** for the assessment session(s).
- A separate record of any incidents which occur during assessments will also be kept.

At this school informal supervision means:

- Interaction with others, including group work is permitted.

- The level of supervision applied ensures that the school is able to confirm that plagiarism has not taken place and preparation for a final/formal assessment is the candidates own work.
- Sources use by candidate are clearly recorded.

At this school limited supervision means:

- Some aspects of work may be undertaken completely without supervision /outside the classroom - this may include research and data collection.
- Class teachers will make close reference to the relevant awarding body's specifications when applying limited supervision.

TASK AUTHENTICATION AND MARKING

Each year, before the first controlled assessment is conducted in school, **all students and subject staff in Year 10** will be issued with a copy of the JCQ Notice to Candidates GCSE and Principle Learning: Controlled Assessments. Candidates will be reminded of the key points from this document before completing each assessment task.

Before assessment tasks are submitted, candidates will be required to sign a declaration confirming that the work is their own and that assistance given / sources used have been acknowledged.

Class teachers responsible for supervising and marking controlled assessments are also required to sign a declaration confirming that candidates have completed work under the appropriate conditions and they are satisfied the work has been produced solely by that candidate.

This school will use the JCQ declaration of authentication for controlled assessments or a similar document provided by the relevant GCSE awarding body. If either the candidate or the assessor is unable to sign this declaration, zero marks will be awarded for the assessment task. If candidate malpractice is suspected, this will be referred to the relevant Subject Leader and Examinations Officer who will follow the guidance set out in the JCQ instructions for controlled assessment.

Internally assessed tasks will be marked by the class teacher according to the requirements of the subject specification. Work will be annotated according to subject specification requirements.

Internal standardisation will be completed before external moderation to ensure all work has been marked to the same standard.

If a teacher teaches his / her own child, this will be declared as a conflict of interest and assessment work will be sent to the moderator whether it has been requested as part of the sample or not.

If a controlled assessment task is to be externally assessed, all work and authentication declarations will be submitted according to awarding body requirements and deadlines.

FACTORS AFFECTING INDIVIDUAL CANDIDATES

If a candidate misses part of a controlled assessment task through absence, an alternative supervised session will be organised.

The school will follow the procedures set out in JCQ guidelines if assessment tasks are lost or accidentally destroyed at the school.

Special Access Arrangements will be agreed according to the published JCQ guidance on Access Arrangements. This will be co-ordinated by the SENCO.

The school will produce a schedule showing periods of controlled assessment for each subject. This will be linked to the whole school calendar and extra-curricular events in order to prevent candidates from missing important assessments. As far as possible the school will adhere to the published schedule of assessments.
