

CARDINAL WISEMAN

CATHOLIC SCHOOL

Newsletter Issue 33 21 September 2018

LEADERSHIP UPDATE

This week we have taken part in two important celebrations. On Thursday we joined together with all of our Catholic feeder primary schools to mark the fourth Romero Mass. This was a wonderful celebration where a number of our Year 7 and Year 8 pupils represented the school and, for some, met up with their past primary school teachers! The Gospel reading from the Mass resonated with the core value we are focusing upon this half term which is "HOPE", as Jesus tells us:

'Your sins are forgiven.' Gospel, *Luke 7:36-50*

This message is particularly poignant for the start of the academic year which in so many ways marks a fresh start for everyone. It is through the Sacrament of Reconciliation we receive forgiveness of our sins and 'fresh start' to many aspects of our life.

Also this week, our Year 8 students took part in their annual retreat. It was a great opportunity for them to explore their individual faith and express what that means to them in their everyday life. This is something that we at Cardinal Wiseman cherish deeply as we are committed to ensuring that all children achieve not only their academic potential, but go on to become successful, independent and happy young adults.

Romero Partnership Mass and Year 8 Retreat

20 September 2018

This was a busy week for the Catholic life of the school with our students participating in two separate Masses on Thursday.

Approximately one hundred of our Year 7 students attended our annual Romero Partnership Mass at St Patrick's Church with Fathers George, Tony and David celebrating.

All of our Romero schools were represented with students contributing to processions, readings and very loud singing of hymns!

That same day all Year 8 students participated in a full day retreat in school led by representatives from the Archdiocese.

Students took part in a wide variety of sessions during the day that were intended to help with their spiritual development.

The day concluded with a beautiful Mass celebrated by the Vicar General , Mgr Timothy Menezes.

Feedback from our Year 8 students was extremely positive.
