MACMILLAN. CANCER SUPPORT

On Friday 28 September, for the 22nd year, the staff of Cardinal Wiseman took part in the 'World's Biggest Coffee Morning' in aid of Macmillan Cancer Support.

Hosted by the support staff and organised by Mrs Lockett, this year's event was held in memory of two special people - Kim Simmons, a member of the Cardinal Wiseman family, who sadly lost her courageous battle with cancer earlier this year and Tony Cortese, the husband of Julia, part of our school finance team.

The money raised, so far, is expected to exceed £200.00.

Well done everybody!

Thank you for all the Macmillan nurses and other carers who echo your love in the care they give, the time they lavish, the words they speak and the tears they cry.

Lord Jesus, give them a place of rest and comfort too where they know how treasured they are and can process their own grief and strain.

YEAR 10 STUDENTS VISIT CLARE COLLEGE

This week a number of Year 10 students accompanied

Mr Rutherford to Clare College at Cambridge University. The two day trip was residential so that it gave our students a flavour of what it is like to attend a world class university. The students valued the trip as it gave them a first hand experience of university life which will help shape their long term plans for continuing in education.

We intend to continue to offer trips of this nature to ensure that our students set their aspirations as high as possible and utilise their talents to the fullest degree.
