## LEADERSHIP UPDATE

Another exciting week at Cardinal Wiseman has culminated in the whole of Year 10 taking part in a careers trip to the World Skills Live event hosted at the NEC in Birmingham. This exciting and important trip marks a point in their education when they begin looking at their options for their future careers and preparing for life after school.

At Cardinal Wiseman, we often reflect on the importance of both academic excellence and equipping our students with the skills they require to be successful, happy and independent young adults. We do this through our core values which permeate through everything we do. These core values (courage, faith, hope, respect, service and wisdom) provide what the Benedictions described as 'a compass for life'. We ask that this weekend you and your families join us in praying for the vocations of all our young people, whatever path they seek to follow in the future:

***Gracious and Holy Father,  
give us the wisdom to discover You,  
the intelligence to understand You,  
the diligence to seek after You,  
the patience to wait for You,  
eyes to behold You,  
a heart to meditate upon You,  
and a life to proclaim You,  
through the power of the Spirit of Jesus, our Lord.  
Amen.***

## Parent and Carer Survey - How are we doing?

The academy would like feedback from parents and carers.

We would be grateful if you would take a few minutes to complete a short survey. Please click on the link below. Thank you.

We will close the survey on 7 December 2018.

## Introducing Miss Ceairns, Cardinal Wiseman's New Lay Chaplain

Hello,

I have been a school lay chaplain for several years, working at Holy Trinity School in Small Heath, Birmingham.

I am really happy to now be joining the Romero family and look forward to working with you all.

Safeguarding

*“O, beware, my lord, of jealousy;  
It is the green-ey'd monster, which doth mock  
The meat it feeds on.”*

On Saturday afternoon a group of Year 12 and Year 13 English students went to see the English Touring Theatre's production of *Othello* at the Warwick Arts Centre.

The students, who are all studying the play for their A level exam, enjoyed an intense and original production which included plenty of relevant ideas for 2018 as Othello battled prejudice and fake news!

Othello was the English Faculty's third theatre visit of the year, after *The Kite Runner* and *Macbeth*, and we look forward to taking our students out to see more productions soon.

Mr Keane

Our 'Artist of the Week' from Applied Arts this week is Rileigh-Morgan Freeman from Year 11. This piece is from her 'Still Life' project.

## Could your boss help us?

The Romero MAC is calling on parents to ask their employers to consider us as part of their Corporate Social Responsibility.

Would they match fund us or be prepared to donate prizes or sponsorship?

Any ideas will be gratefully received.
