

The Wiseman Connection

Part of The Romero Catholic Academy

Welcome to you all!

We hope you are enjoying the Wiseman Connection and have had the opportunity to reconnect with former pupils. The school celebrates 60 years in Potters Green Road – many changes have taken place, but the site is still very familiar to many people. Some of our members have seen 3 generations of their families attend the school. The concept of this group is to reconnect past pupils and staff and enable people to reminisce but also to see if we can help and support current pupils in a variety of ways.

Membership

We now have almost 300 members who have joined through our Wiseman Connection website.

Thankyou!

We also opened a Facebook group through our Romero Facebook page – this has generated almost 2,500 members. This group is a closed group which is managed by Romero staff.

Social media is a fantastic forum, but we are very aware that occasionally we need to moderate comments and reserve the right to remove/hide comments (or photos) where appropriate.

Planning for 2020

However, we are delighted with the level of comments, photos and stories and look forward to seeing this continue to build over the coming months.

"What amazing memories this group is bringing back, loved the school and the life long friendships it gave me."

"Whilst I believe that social media platforms have, at times, a "lot to answer for", in situations like the setting up of this Group - it's just wonderful!"

"... I had some of the best days of my life back then with good friends and a lot of laughs. Thing I would change the most is I would pay more attention and do my absolute best."

These are a small sample of some of the comments we have received on Facebook.

Please contact Admin.TWC@romeromac.com for further information or to add comments.

FEEDBACK AND THOUGHTS PLEASE

We Need You!

We have representation from a variety of year groups who are contributing to our social media platforms.

However, as with everything in life, things change, evolve and develop.

So what is next for us?

The Wiseman Connection now needs your feedback and thoughts and we have started to collect your ideas and suggestions through a Survey Monkey questionnaire. In order to get a comprehensive set of feedback, could you please complete this short survey and tell us how your Wiseman Connection can develop... https://lnkd.in/grBD9_b

COMING UP IN 2020 ...

Why not make a New Year's resolution to get running in 2020? We need at least 20 sponsored runners for the Coventry 5K taking place Sunday 5th April. The idea then being that we can run as the Wiseman Connection team and arrange a meet up afterwards for essential refreshments for runners and spectators alike. To sign up for the run, please contact admin.TWC@romeromac.com by 31st January 2020.

We would like to raise funds through the run for the Cardinal Wiseman 6th Form Garden.

Work has already begun, but we can do so much more to reach our garden transformation pictured above.

Thoughts are also turning to providing a Memorial Wall or similar in this garden to commemorate staff and pupils sadly no longer with us.
