# 1 Introduction

1.1. This policy is an addendum to the school's main Safeguarding and Child Protection Policy and is intended for use during the COVID-19 emergency period only.

1.2 We continue to recognise that safeguarding and child protection is an essential part of our duty of care to all students and that we have a responsibility to safeguard children, whether they are on-site or staying at home. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We continue to promote a culture of vigilance, where staff and volunteers act immediately if they have safeguarding concerns about a child. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

1.3 Due to the nature of the emergency we are facing and the changing threat from COVID-19, this policy is regularly reviewed and updated to ensure that the school is compliant with;

- All relevant legislation and statutory guidance;
- government guidance relating to the COVID-19 outbreak; and
- guidance from the Coventry Safeguarding Children's Partnership (the Local Authority, the local clinical commissioning group and the chief office of police).

1.3 All staff will be made aware of this policy and updated regularly on further developments.

1.4 Further information about the government's approach to COVID-19 can be found here: <https://www.gov.uk/coronavirus>

1.5 The purpose of this policy is to;

- Promote safeguarding and child protection and demonstrate the school's commitment to keeping children safe whilst operating under emergency measures related to COVID-19;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm during this time;
- Provide stakeholders with clear information relating to the school's safeguarding and child protection procedures during the COVID-19 outbreak; and
- Ensure that children are protected from maltreatment or harm.

1.6 Cardinal Wiseman Catholic School is committed to the following principles at all times;

- All children have the right to be protected from harm;

- The best interests of children will always continue to come first;
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm;
- If anyone in school has a safeguarding concern about any child they should continue to follow usual procedures and must act and act immediately;
- A Designated Safeguarding Lead or a Deputy Safeguarding Lead should be available; and
- Working with other agencies (such as Children's Services and the Virtual School) is essential to promote safeguarding and protect children from harm.

1.7 We continue to be subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism and will refer to appropriate services if we are concerned a child is being radicalised.

1.8 We continue to fulfil our duties under Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015.

## 1.9 Scope

- This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Cardinal Wiseman Catholic School. All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.
- This policy applies to all staff, whether working on-site or at home.
- 

## 2 Context

2.1 Following government guidance, the school has been closed to pupils from Monday 20<sup>th</sup> March 2020, with the exception of children deemed to be 'vulnerable', or those that with parent/s who are 'key-workers'.

2.2 Cardinal Wiseman Catholic School intends to remain open for our 'vulnerable' children and 'key-workers' children throughout this period of closure.

2.3 The school adheres to government guidance on 'key workers'.

2.4 The school remains open for children who are deemed to be vulnerable, as per government guidance. The school has given careful consideration to which children need to continue to attend school, in order to ensure children are safe and to minimise the spread of COVID-19.

2.5 Each child has been considered on a case-by-case basis and an assessment of risk has been made, with relevant external agencies, parents and the Local Authority, to decide if a child should be on site or not. The school considers children to be vulnerable and may need to attend if they are;

Children on Child Protection Plans; Children in Need; Looked-After or Previously Looked-After; and

Children with SEND (with or without an EHCP), who would be safer at school than at home.

2.6 Children other than those above may be considered vulnerable and some children will become vulnerable during the time that the school is closed. The school will continually review which children will attend school, in line with local and governmental guidance.

2.7 Additional support may be put in place to safeguard;

- Children vulnerable to CE/Contextual safeguarding issues and those in receipt of early help; and
- Children who are homeless/living in temporary accommodation, refugees and asylum seekers and young carers.

2.8 There is an expectation that children who have a social worker will continue to attend school, unless they have an underlying health condition that will put them at severe risk.

2.9 Where parents of the children referred to in paragraph 2.7 are concerned about the risk of the child contracting COVID-19, Cardinal Wiseman Catholic School, in partnership with the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

2.10 The school will follow government guidance to support children who are usually in receipt of free school meals. Further information can be found on this here: <https://www.gov.uk/government/publications/covid-19-free-school-meals-guidance/covid-19-free-school-meals-guidance-for-schools> Vouchers will be emailed to the Priority 1 parent/carer every two weeks.

2.11 Some children will have existing vulnerabilities and will not attend school. In the case of these children, the school will phone home or make a home visit once a week.

2.12 All children (regardless of vulnerability) will be contacted by phone every two weeks.

### **3 Local Safeguarding Arrangements**

3.1 The school will ensure that it is aware of any changes to local safeguarding arrangements through existing channels of communication with the Local Authority and the wider Coventry Safeguarding Children Partnership.

3.2 The school continues to operate under Coventry Safeguarding Partnership policies and continues to use the '[Right Help Right Time](#)' guidance when considering if children require additional support or statutory intervention.

3.3 This policy will be regularly reviewed and updated to reflect any changes in local safeguarding arrangements.

## **4 Roles and Responsibilities**

### **4.1 The Academy Committee**

4.1.1 The Academy Committee continues to monitor the school during this period of emergency closure. Academy Representatives will continue to have oversight of leadership in the school. Academy Committee meetings will be carried out via online meetings each half term,

### **4.2 The Role of the Headteacher**

#### **4.2.1 The headteacher will;**

- Ensure that this policy is regularly updated in line with evolving government and local guidance relating to COVID-19;
- Ensure that this policy and associated procedures are adhered to by all staff;
- Ensure that all adults coming into contact with children at school have been subject to the appropriate safer recruitment checks;
- Respond to allegations of abuse against all other members of staff; and
- Ensure that staff on-site and off-site have regularly updated training to ensure that they are aware of local safeguarding arrangements.

4.2.2 In the event that the headteacher is unavailable either on-site or remotely, the above responsibilities will be completed by Matthew Everett - Head of School.

### **4.3 The Role of the Designated Safeguarding Lead (DSL)**

4.3.1 The role of the DSL is outlined in the main school Safeguarding and Child Protection Policy and in [Keeping Children Safe in Education \(2019\)](#).

4.3.2 In addition to their usual duties, the DSL will also have regard to the additional mental health issues that pupils on-site may be experiencing as a result of COVID-19 and provide/arrange support for pupils as necessary.

4.3.3 Wherever possible, a trained DSL (or deputy DSL) will be available on site. Where this is not possible due to staff self-isolation, a trained DSL (or deputy DSL) will be available to be contacted via phone or online video.

4.3.4 In the event that the DSL and the DSL/s are unable to work remotely due to illness, an appropriate senior leader will take responsibility for co-ordinating safeguarding on site. This could include, but is not limited to, updating and managing access to safeguarding and child protection files and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at Cardinal Wiseman Catholic School. Information will be passed to the DSL as soon as practicably possible.

4.3.5 Arrangements for contacting the DSL/DDSLs will be shared with staff before 9am each day, as well as any relevant safeguarding and child protection updates and training.

4.3.6 The government has acknowledged that DSL refresher training is very unlikely to take place during this emergency. All DSLs and DDSLs that have previously been trained will continue to be classed as DSLs even if they miss their refresher training, in line with current government guidance. All DSLs and DDSLs will keep up to date with the latest safeguarding information and guidance through via e-bulletins, Local Authority e-bulletins and taking time to read and digest safeguarding developments.

#### **4.4 The Role & Responsibilities of all Staff within School**

4.4.1 All staff, whether on-site or working from home, will;

- continue to operate under the principles of the main school Safeguarding and Child Protection Policy, the staff Code of Conduct, all relevant legislation and statutory guidance and continue to have particular regard to Keeping Children Safe in Education (2019);
- will continue to promote a culture of vigilance and refer all safeguarding concerns to the appropriate person immediately;
- adhere to all government, local and school advice relating to hygiene, response to COVID-19 symptoms and self-isolation;
- seek advice from the Designated Safeguarding Lead if they are unsure; and
- All teachers should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012).

## **5 Responding to signs of abuse**

5.1 Information relating to types of abuse and signs and symptoms of abuse can be found in Cardinal Wiseman Catholic School's main safeguarding and child protection policy and [Working Together to Safeguard Children \(2018\)](#).

5.2 All staff and volunteers will continue to be alert to indicators of abuse and will report any concerns to the appropriate member of staff immediately.

5.3 If a member of staff, parent/carer or member of the public is concerned about a child's welfare (whether they are attending school or not), they should report it to the designated safeguarding lead as soon as possible. If the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Social Care, where possible there should be a conversation with the Designated Safeguarding Lead via telephone or online video call, if they are working from home. If there is no DSL available, concerns should be reported to one of the Deputy DSL's who can make a referral and contact the DSL. Remember that a member of the public/family member may wish to report a concern about a child not currently onsite.

5.4 Most children are not currently attending school. The school recognise that children who are not attending school may need to make a disclosure or want to seek help from a trusted member of staff. There is a HELP button on the school website so that children can still contact the DSL or DDSLs.

5.5 If anyone other than the Designated Safeguarding Lead makes a referral to children's social care or to the police, they should inform the DSL as soon as possible.

5.6 If the school is concerned that a child is at risk of significant harm, we will seek advice from Coventry's Multi-Agency Safeguarding Hub (MASH) and make a referral to this service if necessary. Coventry's MASH continues to be fully functional in terms of its safeguarding responsibilities.

5.7 Referrals to the Multi-Agency Safeguarding Hub can and should still be made for children at risk of harm using the online Multi-Agency Referral Form (MARF).

**MASH Telephone number:** 02476 788 555

**MASH online referral form:** <http://www.coventry.gov.uk/safeguardingchildren>

**Out of hours Emergency Duty Team:** 02476 832 222

**Prevent/Channel Referrals:** Refer to MASH ([mash@coventry.gov.uk](mailto:mash@coventry.gov.uk)) and to [CTU\\_GATEWAY@west-midlands.pnn.police.uk](mailto:CTU_GATEWAY@west-midlands.pnn.police.uk)

5.8 The school will continue to receive Operation Encompass reports as long as the police have capacity to offer this service. The school will risk assess each report on a case-by-case basis and continue to operate as usual in response to reports, unless instructed otherwise by the police or Local Authority. This information will be recorded on the child's safeguarding and child protection record as usual. If a child is attending a partner school or hub, this information will be passed to the DSL at the host school. This is constantly under review and the school is being regularly updated on any changes by the local Operation Encompass Co-ordinator.

5.9 All services are under increased pressure during this period of emergency. However, the school recognises that safeguarding continues to be of paramount importance and will work with other agencies in order to ensure children are safe. If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the [Coventry Safeguarding Children Partnership's Escalation and Resolution of Professional Disagreements policy](#) to ensure that our concerns have been addressed and that the situation improves for the child.

## **6 Peer on Peer Abuse**

6.1 Cardinal Wiseman Catholic School understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse, sexting, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

6.2 During this time, staff will continue to be vigilant in reporting any concerns relating to peer on peer abuse to the DSL.

6.3 Children from Year 7 to Year 13 may be working together during this period of time. Although this will often be separated into KS3, KS4 and KS5 groups. Students will be supervised during all lessons, activities and break times. The student to teacher ratio will be very low.

6.4 The school's revised approach to peer on peer abuse is informed by the principles set out in Part 5 of Keeping Children Safe in Education (2019).

## **7 Online Safety**

7.1 The school recognises that children both on-site and off-site are vulnerable to abuse and radicalisation online. Children who are at home may be spending more time online and this increases their vulnerability.

7.2 Cardinal Wiseman Catholic School recognises that additional safeguarding arrangements are required to ensure that children are safe online at this time.

7.3 Governors will review arrangements to ensure that they continue to be appropriate.

7.4 Online activity in school will continued to be monitored through our usual IT monitoring systems. The DSL and the two DDSLs receive these alerts and will respond appropriately, following up with the child concerned, contacting parent/carer and sharing information with other staff members as deemed necessary.

7.5 To prepare children who are not attending school for staying safe online we held assemblies for all year groups highlighting the importance of staying safe online. We have included several items in Cardinal Wiseman Catholic School newsletters for parents regarding keeping their children safe online. We have included some key information on our website and also a 'HELP' button on the home page for students and parents, enabling children to report their concerns directly to the DSL and DDSL's.

7.6 The school is using technology to deliver learning to pupils who are at home. In order to ensure that children are safe when learning online, the school have;

- Continued to use the same platform - Google Classrooms - to set all work.
- Trained staff involved on appropriate use of IT
- Provided pupils, parents and staff with top tips for online learning
- Parents have been advised on suitable websites for children and provided with a login to access National Online Safety <https://nationalonlinesafety.com/>

7.7 We have reviewed and updated the Romero Catholic Academy Social Media policy for IT to reflect the current change in circumstances and increased use of technology.

7.8 Staff have received information on appropriate use of social media and on appropriate conduct during live lessons on Google Hangouts.

7.9 A list of useful sources of information relating to online safety is including in Appendix B of this policy.

## **8 Record-keeping**

8.1 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will continue to be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

8.2 Cardinal Wiseman Catholic School keeps all safeguarding files electronically, using a system called CPOMs. The DSL and both DDSs receive all CPOMs alerts and will respond to all concerns, or delegate to the most appropriate staff member to do so. Referrals to other agencies will continue to be made and followed up with social care and police, as required.

## **9 Attendance**

9.1 The school adheres to government guidance, which states that parents should keep their children at home, wherever possible, and that schools, colleges and early years settings should remain open only for children of critical workers and those deemed to be vulnerable, as outlined in Section 2 of this policy.

9.2 As such, Cardinal Wiseman Catholic School will not be following our usual attendance procedures and non-attendance will not be managed in the way that it normally would and children should not attend unless there is an agreement with the school.

9.3 The school will work with families and social workers to agree whether children should attend school or not. If it is agreed that a child should attend and they do not, the school will follow this up with parents/carers.

9.4 The school will follow up with any parent or carer who has arranged care for their children and the children subsequently do not attend.

9.5 If children who should be attending school develop symptoms, they will be asked to remain at home. In the event that this happens, we will contact once a week by phone or with a home visit.

9.6 The school will take the opportunity when communicating with parents and carers to confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

9.7 In all circumstances where a vulnerable child does not take up their place at the school, or discontinues, we will notify their social worker.

9.8 Some children may have existing vulnerabilities but will not attend school (those with underlying health conditions, for example). In this case, the school will contact once a week by phone or with a home visit.

9.9 The school will record pupil daily attendance using the attendance tracker provided by the government, rather than our usual attendance tracking systems.

## **10 Children attending Alternative Provision**

10.1 To ensure that children at alternative provision are safeguarded appropriately we will contact the provider each day to check on their attendance and contact home by phone if they are not attending as arranged.

## **11 Children from other schools**

11.1 If children move to Cardinal Wiseman Catholic School from another setting, we will request SEND and safeguarding and child protection information for that child, the risk assessment determining if the child should be in attendance or not and details of support in place. This includes, but is not limited to, Education and Health Care Plans (EHCPs), Child in Need plans, Child Protection plans, Personal Education Plans and details of professionals involved with the child.

11.2 For looked-after children, the change in school will be led and managed by the Virtual School Head with responsibility for the child (see front of policy for details).

11.3 This information will be requested and should be sent to the school prior to the child's arrival by the Designated Safeguarding Lead, the SENCO or an appropriate senior manager in their absence.

11.4 We will liaise closely with the Local Authority, the Virtual School and social workers in the event that a child moving to the school has either an Education Health Care Plan and/or is a Looked After Child.

11.5 We will share safeguarding information for children from other schools via CPOMS. This will be transferred electronically when the child moves back to their home school.

11.6 We continue to operate under the Data Protection Act (2018) and the General Data Protection Regulation (GDPR). However, this is not be a barrier to sharing information for the purposes of keeping children safe.

## **12 Safer Recruitment**

12.1 Cardinal Wiseman Catholic School is committed to providing children with a safe environment. We take safer recruitment very seriously and all staff and volunteers are subject to the necessary checks.

12.2 There are no circumstances in which a child or children will be unsupervised with an adult who has not been subject to all necessary safer recruitment checks. Any new members of staff, new volunteers or existing volunteers taking on new roles will be subject to all necessary safer recruitment check and this will be recorded on the Single Central Record.

12.3 Our safer recruitment practices strictly adhere to Keeping Children Safe in Education (2019).

12.4 If a member of staff or volunteer with a DBS check from a childcare setting, another school or another college temporarily moves to Cardinal Wiseman Catholic School, a risk assessment will be completed to ascertain if a new DBS check is required before they work in regulated activity. The school will follow guidance set out in [Coronavirus \(COVID-19\): safeguarding in schools, colleges and other providers \(27<sup>th</sup> March 2020\)](#).

12.5 Any members of staff or volunteers transferring from another childcare or education setting will undergo induction training and we will seek evidence from their main setting that the member of staff has completed relevant safeguarding training in line with other similar staff or volunteers and they have read Part I and Annex A of Keeping Children Safe in Education.

### **13 Allegations of abuse against staff**

13.1 Cardinal Wiseman Catholic School takes all allegations against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2019) and the [CSCP Guidance, 'Allegations against Staff and Persons in a Position of Trust'](#).

13.2 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the Chair of Governors without delay. In the event that the Chair of Governors is unavailable due to illness or other circumstance, the concern must be reported to the Deputy Chair of Governors.

13.3 If a concern or allegation of abuse arises against any member of staff other than the Headteacher, it must be reported to the Headteacher without delay. In the event that the headteacher is unavailable due to illness or other circumstance, concern must be reported to Matthew Everett - Head of School.

13.4 Allegations of abuse against staff should be not discussed directly with the person involved.

13.5 The Headteacher or Chair of Governors should consider if the allegation meets the threshold for Local Designated Officer (LADO) intervention. The LADO is operating as usual and referrals must be made through the online referral form here: [https://www.coventry.gov.uk/info/206/coventry\\_safeguarding\\_children\\_partnership/2628/local\\_authority\\_designated\\_officer\\_lado](https://www.coventry.gov.uk/info/206/coventry_safeguarding_children_partnership/2628/local_authority_designated_officer_lado)

13.6 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

13.7 If a child has suffered, or it is suspected that they have suffered, abuse or harm, a MASH referral will also be made.

13.8 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Cardinal Wiseman Catholic School in managing the allegation. This service is will still be provided throughout this period of emergency.

13.9 The procedure for whistleblowing is outlined in the school's main Safeguarding and Child Protection Policy.

## **14 Policy Review**

14.1 This policy is a dynamic document and will be updated regularly as further government and local guidance is published.

## **Appendix A – Process for reporting safeguarding and child protection concerns**
