

ADMISSIONS POLICY

**September
2017 - 2018**

Cardinal Wiseman Catholic School part of The Romero Catholic Academy

2017/18 SECONDARY ADMISSION ARRANGEMENTS

- Determined (FINAL) admission arrangements for 2017/18

Name of Academy: Cardinal Wiseman Catholic School. This academy is part of The Romero Catholic MAC.

The admissions process is part of the Coventry LA co-ordinated scheme.

The Admission Policy of the Board of Directors of Cardinal Wiseman Catholic School academy is as follows:

The ethos of this academy is Catholic. The academy was founded by the Catholic Church to provide education for children of Catholic families. The academy is conducted by its Board of Directors as part of the Catholic Church in accordance with its Articles of Association and seeks at all times to be a witness to Jesus Christ. We ask all parents applying for a place here to respect this ethos and its importance to the academy community. This does not affect the right of parents who are not of the faith of this academy to apply for and be considered for a place here.

The Academy's Admission Number for the academic year 2017/18 is 240.

If the number of applications is less than the published admission number then all applicants will be offered a place.

If the number of applications exceeds the admission number, the Board of Directors will give priority to applications in accordance with the criteria listed, provided that the Board of Directors are made aware of that application before decisions on admissions are made (see Note 1 below).

In all categories, priority will be given to those who have a brother or sister (see Note 3 below) attending Cardinal Wiseman Catholic School at the time of admission and then distance.

1. Baptised Catholic children (see Note 2 below) who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order, child arrangements order or special guardianship order).
2. Baptised Catholic children who currently attend a Catholic feeder school or academy (see Note 4 below).
3. Baptised Catholic children who live in the feeder school or academy parish area (see Note 4 below).
4. Other Baptised Catholic children.
5. Non-Catholic children who are in the care of a local authority (looked after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order, child arrangements order or special guardianship order).
6. Non-Catholic children who currently attend a Catholic feeder school or academy.
7. Other Non-Catholic children.

OVER-SUBSCRIPTION

If there is over-subscription within the category, the Board of Directors will give priority to children living closest to the academy determined by shortest distance. Distances are calculated on the basis of a straight-line measurement between the centre of the applicant's home address and centre of the academy site. The local authority uses a computerised system, which measures all distances in miles. Ordnance Survey supplies the co-ordinates that are used to plot an applicant's home address within this system (See Note 4).

In a very small number of cases it may not be able to decide between the applications of those pupils who are qualifiers for the final place, when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and academy is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the admission number to be exceeded, the Board of Directors will draw lots, overseen independently, to select the child to be offered the final place. Where appropriate, the Board of Directors will give careful consideration to offering places above the Admission Number to applications from individuals with parental responsibility for children whose twin or sibling from a multiple birth is admitted even when there are no other vacant places.

Note 1

Children with a Statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that names the academy must be admitted. This will reduce the number of places available to *applicants*.

Note 2

In all categories, for a child to be considered as a Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of Baptised Catholic see the Appendix. Those who face difficulties in producing written evidence of Catholic Baptism/Reception should contact their Parish Priest. Failure to provide evidence of Catholic Baptism/Reception may affect the criterion the child's name is placed in.

Note 3

The definition of a brother or sister is:

- A brother or sister sharing the same parents;
- Half-brother or half-sister, where two children share one common parent;
- Step-brother or step-sister, where two children are related by a parent's marriage;
- Step-brother or step-sister;
- Adopted or fostered children.

The children must be living at the same permanent address.

Note 4

The designated feeder schools and academies and appropriate parishes for Cardinal Wiseman Catholic School are:

Corpus Christi Catholic Primary School	-	Corpus Christi Parish
Good Shepherd Catholic Primary School	-	St Elizabeth's Parish
Sacred Heart Catholic Primary School	-	Sacred Heart Parish
St Gregory's Catholic Primary School	-	St John Fisher Parish
St John Fisher Catholic Primary School	-	St John Fisher Parish
St Patrick's Catholic Primary School	-	St Patrick's Parish
SS Peter & Paul Catholic Primary School	-	St Patrick's Parish

Maps of the parish areas are available at the academy and parish or by post on request.

Note 5

The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required.

Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a place

APPLICATIONS FOR CHILDREN TO BE ADMITTED INTO A CLASS OUTSIDE OF THEIR NORMAL AGE GROUP

If parents wish for their child to be considered for admission to a class outside of their normal age group, they must make an application for the normal age group in the first instance. Parents must then submit a formal request to the Board of Directors. This request should be in the form of a written letter of application outlining the reasons why you wish for your child to be considered to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that you wish to be taken into account as part of that request. The Board of Directors will consider requests submitted and advise the parents of the outcome of that request before the national offer day, having taken into account the information provided by the parents, the child's best interests and the views of the head teacher.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

APPEALS

Parents who wish to appeal against the decision of the Board of Directors to refuse their child a place in the academy may apply in writing to Chair of the Board of Directors at the academy address. Appeals will be heard by an independent panel.

REPEAT APPLICATIONS

Any parent can apply for a place for their child at any time outside the admissions round. Parents do not have the right to a second appeal in respect of the same academy for the same academic year unless, in exceptional circumstances, the admission authority has accepted a second application from the appellant because of a significant and material change in the circumstances of the parent, child or academy but still refused admission.

LATE APPLICATIONS

Late applications will be dealt with according to the LA co-ordinated scheme.

APPLICATIONS OTHER THAN THE NORMAL INTAKE TO YEAR 7 (In-year applications)

An application should be made to the local authority who will need to consult with the Board of Directors.

WAITING LISTS

Waiting lists for admission will remain open until the end of December 2017 and will then be discarded. Parents may apply for their child's name to be reinstated until the end of the academic year when the list will be discarded. The waiting list will be kept by the Board of Directors in admission criteria order. When a new child joins the waiting list, all applicants on that list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on

the waiting list could go up or down. Inclusion of a child's name on the waiting list does not mean that a place will eventually become available.

Children who are the subject of a direction by a local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol take precedence over those on a waiting list.

IN YEAR FAIR ACCESS POLICY

The Board of Directors have adopted the LA policy for admission of previously excluded or hard to place children.

YEAR 12 ADMISSIONS POLICY

We welcome applications into Year 12 from pupils studying in Year 11 at Cardinal Wiseman by 8 December 2016. Cardinal Wiseman's admission number for external students applying to join in Year 12 in September 2017 is 1.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form. These requirements are:

- to study A-Levels, 5 grade B's at GCSE including English;
- to study Level 3 BTEC's, 5 grade C's at GCSE including Level 2 BTECs plus a grade C in GCSE English and Maths.

Each individual subject has their own entry requirements. You need to read the entry requirements contained within our Sixth Form prospectus, available from the Sixth Form Office.

If the number of successful external applicants (ie those students who have met the entry requirements) exceeds the published PAN then the over-subscription criteria will apply.

OVER-SUBSCRIPTION

Special Educational Needs

All children with a statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that name the school will be admitted before all applicants. This will reduce the number of places available to other applicants.

1. Children who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order, child arrangements order or special guardianship order).
2. Other applicants.

If there is over-subscription within the category, the Board of Directors will give priority to children living closest to the academy determined by shortest distance, which will be measured using the same method as outlined in the Year 7 over-subscription policy.

APPEALS

There will be a right of appeal to an Independent Appeals Panel for internal pupils refused transfer and external applicants refused admission.

Parents or students who wish to appeal against the decision of the Board of Directors to refuse their child or themselves a place in the school may apply in writing to the Chair of the Board of Directors.

There is no charge or cost related to the admission of a child to this academy.

CATHOLIC SCHOOL

Appendix

DEFINITION OF A “BAPTISED CATHOLIC”

A “Baptised Catholic” is one who:

- Has been baptised into full communion (Cf. *Catechism of the Catholic Church*, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome (i.e. Latin Rite, Byzantine Rite, Coptic, Syriac, etc, Cf. *Catechism of the Catholic Church*, 1203). Written evidence* of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. *Code of Canon Law*, 877 & 878).

Or

- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the *Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church*. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the *Rite of Reception* took place (Cf. *Rite of Christian Initiation*, 399).

WRITTEN EVIDENCE OF BAPTISM

The Governing bodies of Catholic schools and Boards of Directors of Catholic Academies will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of Baptism or Reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception.

Those who would have difficulty obtaining written evidence of Catholic Baptism/Reception for a good reason, may still be considered as Baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept.

Governors and Boards of Directors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)
