Attendance & Exceptional Leave Policy

Introduction

We believe that children need to be in school for all sessions, so that they can make the best progress possible. To do this it is essential that a child's time at school is maximised and even short absences can have a detrimental effect on children's learning. Any pupil's absence or late arrival disrupts teaching routines, so, in addition to affecting your own child, it may also affect the learning of others in the same class. **Early poor attendance habits follow right through from primary to secondary school and into employment.**

We expect all children to be at school, and on time, every day that the school is open, as long as they are fit and healthy enough to do so. We do all we can to encourage children to attend.

At our school, we believe that the most important factor in promoting good attendance is the development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children. We will reward those children whose attendance is very good. We will also make the best provision we can for those children who, for whatever reason, are prevented from coming to school.

1 Legal Requirements and Local Authority Policy

1.1 Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

1.2 Under the Education (Pupil Registration) (England) Regulations 2006, the governing body is responsible for making sure the school keeps an attendance register that records which pupils are present at the start of both the morning and the afternoon sessions of the school day. This register will also indicate whether an absence was authorised or unauthorised.

1.3 There is no automatic right to any leave of absence and all schools in Coventry are encouraged to adopt a policy of not authorising exceptional leave. Being mindful of this, only in very exceptional circumstances will the school grant leave of absence during term time.

1.4 Further guidance can be found in the Exceptional Leave section of this policy.

1.5 Any leave taken without authorisation can lead to parents being issued a Fixed Penalty Notice being issued, which is currently £60 per parent per child, to be paid within 21 days (the fine doubles to £120 per parent per child after 21 days). After 28 days the matter is referred to the Local Authority for non-payment and can result in court action being taken.

2 What is the difference between Authorised and Unauthorised Absence?

2.1 Authorised absence

2.1.1 An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or guardian. For example, if a child has been unwell, the parent writes a note or telephones the school to explain the absence.

2.1.2 Only the school can make an absence authorised. Parents do not have this authority. Consequently, not all absences supported by parents will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours or if a child is absent for their birthday, this will not make it an authorised absence.

2.1.3 Your child's attendance is monitored on a regular basis by staff in school. If your child has regular periods of absence or their attendance falls below a certain level, the school may notify you that in future, absences will only be authorised where medical evidence is provided. The Attendance Officer may also be asked to contact you on the school's behalf to discuss concerns about your child's attendance.

2.1.4 Wherever possible, the school would expect medical appointments to be arranged out of school hours. Where this is not possible, an appointment card / letter will need to be provided in order for the session to be authorised. Your child is expected to attend before and / or after the appointment when possible.

2.2 Unauthorised absence

2.2.1 An absence is classified as unauthorised when a child is away from school without the permission of both the school and a parent. Therefore, the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

2.2.2 Absences will be unauthorised where no contact is made by parents to explain why their child is absent each day. Absences will also be unauthorised where medical evidence has been requested and has not been provided by parents.

2.2.3 The Attendance Officer may be asked to contact you on the school's behalf to discuss concerns about your child's attendance.

3 Procedures

3.1 Registration

3.1.1 At our school the school pupils are expected to be in school by 8.55am when Period 1 commences.

3.1.2 If a child is not present when the register is taken they are marked absent. If a child arrives at school later than 8.55am they are given a **late mark**. The number of minutes late will be recorded through our Inventory System as a pupil arrives at school.

3.1.3 At 9.30am the registers will be closed and the morning session will be unauthorised

3.1.4 If a child repeatedly arrives late for registration there will be a consequence as detailed in the Behaviour Policy. You will be informed of this by text.

3.1.5 If a child is persistently late parents will be asked to meet with the APCC, the Attendance Officer, Year Head and/or Senior Assistant Principal to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time. Parents will be contacted and maybe offered a CAF to support their child's attendance.

3.2 Written notification of absence

3.2.1 When the child returns to school, a note must be brought from a parent or guardian to explain the absence.

3.2.2 Where the absence is because of a pre-arranged medical appointment, for example, the note should be sent to the school prior to the day of absence.

3.3 If a child is absent without notification

3.3.1 Where no notification has been received by school by 9.30am, a text message/call will automatically be sent to the parents/carers via the school's messaging service.

3.3.2 If there is no response to the message, you may be called by a member of our staff. If we receive no response, the absence will automatically be unauthorised.

3.3.3 If there is any doubt about the whereabouts of a child or concerns for their wellbeing, the Year Office or the Attendance Officer should take immediate action to make contact straight away with the parent or guardian, in order to check on the safety of the child. If appropriate, a home visit may be carried out by members of school staff or the Local Authority.

3.4 Missing children

3.4.1 If a child is missing and their whereabouts are unknown, the school will follow the Local Authority procedures in taking immediate steps to locate that child as soon as possible.

Romero Partnership

3.4.2 The school Attendance Officer will complete the relevant Missing Child paperwork and notify the Local Authority's Children and Families First Service, or Social Care.

4 Requests for exceptional leave of absence during term time

4.1 Leave of absence during term time will only be authorised in very exceptional and unavoidable circumstances that present themselves at short notice and is at the discretion of the Head.

4.2 Except in an emergency, permission for any period of leave must be sought from the school before it is due to begin and in advance of making any arrangements.

4.3 Any request must be made on an Exceptional Leave of Absence Form, which can be obtained from the school office. A copy of this form can be found on page 8 of this document and returned to the Head.

4.4 Evidence of any travel bookings, if applicable, may be requested by the school.

4.5 Each request for exceptional leave of absence is considered by the Head on behalf of the Cardinal Wiseman Local Academy Committee. Where necessary, a meeting will be arranged between parents and the head to discuss the application.

4.6 Absence for the purpose of a family holiday does not constitute exceptional leave. Where the school suspects that a child is absent due to a holiday, steps will be taken to investigate further. This may involve a home visit during the absence period with a view to having direct contact with you and your child. Parents will also be required to produce evidence (for instance medical evidence) in support of the period of absence in order to avoid the issue of a Penalty Notice and / or prosecution.

4.7 If the pupil is female and from a Female Genital Mutilation (FGM) practising of affected community, the Designated Safeguarding Lead will arrange a meeting with the parent/carer and use direct questioning to ascertain whether 'cutting' of the girl will be undertaken during the leave of absence. The Designated Safeguarding Lead will then take the information from this meeting and make a decision on whether to refer to local Referral and Assessment Services or the Police.

5 Holidays during term time

5.1 Taking holidays during term time will affect your child's learning and we expect parents to help us by taking holidays during official school closure periods.

5.2 There is no automatic entitlement in law to time off school to go on holiday. In fact the Local Authority states in its Holidays in Term Time Procedures and Guidance document that **head teachers may not grant any leave of absence during term time unless there are exceptional circumstances.**

Romero Partnership

5.3 If you are planning on taking leave for any purpose during term time, you must notify the school in advance, completing the Exceptional Leave of Absence Form available from the school office. On receipt of this, the Head will consider the request and decide whether the leave of absence will be granted (i.e. whether it constitutes exceptional and unavoidable leave). Please note that your child's current level of attendance will be analysed when considering your request. You will be informed of the outcome of your request by letter. A meeting with the head may be arranged if further discussion is required.

5.4 If you take your child on holiday during term time, or where your request for leave has not been granted, your child's absence will be recorded as unauthorised holiday. This will result in a Fixed Penalty Notice being issued, which is currently £60 per parent per child, to be paid within 21 days (the fine doubles to £120 per parent per child after 21 days). After 28 days the matter is referred to the Local Authority for non-payment and can result in court action being taken.

6 Long-term absence through accident or illness

6.1 If a child is under the care of a hospital Consultant and a Consultant's letter has been produced, and the absence is likely to continue for an extended period, or to be a repetitive absence, the school may contact the support services so that arrangements can be made for the child to be given some tuition outside school.

7 Monitoring

7.1 The Year Offices and Attendance Officer are responsible for monitoring attendance regularly, as well as for taking action on day-to-day absences.

7.2 The Year Offices and Attendance Officer monitor attendance on a fortnightly basis and will issue letters, make telephone calls, arrange school meetings or undertake home visits where necessary to address levels of absence observed.

7.3 The rates of attendance will be reported in the school prospectus and in the Head's report at each full Cardinal Wiseman Local Academy Committee meeting.

8 Repeated unauthorised absences

8.1 If a child has a repeated number of unauthorised absences, the parents or carers will be asked to visit the school and discuss the problem. In some circumstances a home visit will be undertaken by members of school staff to discuss this with you. The Attendance Officer may be asked to contact you on the school's behalf to discuss concerns about your child's attendance.

Romero Partnership

8.2 If the situation does not improve, the school will then contact the Family Hub, who may visit the home and seek to investigate further and provide any necessary support. The Family Hub also have the authority to pursue legal action against parents of children with poor attendance where steps are not taken to address this.

9. Persistent Absence

Since the 1st September 2015, the Government has reduced the threshold from 15% to 10% for persistent absence. This will now class a child with attendance below 90% as a persistent absentee. This equates to 38 sessions or 19 days of absence across the year. Regular attendance at school is essential to ensure uninterrupted progress and to enable children to fulfil their potential. The attendance pattern for all children is monitored weekly with the school seeking to work actively with parents to ensure that regular attendance is maintained. The Department for Education has published data on their website that clearly shows the link between attendance and attainment. Children below 90% attendance will have daily focussed monitoring by school and outside agents. We are confident that you will be keen to work with us to ensure that your child meets the new threshold requirements since it is clear that this will have a positive effect on their learning.

10. Rewards for good attendance

10.1 Half-termly rewards for 100% attendance and no lates awarded in House Assemblies.

10.2 Prizes for continuous good attendance and punctuality throughout the year.

10.3 Weekly recognition through Year Assembly by tutor group.

10.4 Attendance Trophy for the best tutor group attendance per half term.

11 Review

The policy will be reviewed by the Cardinal Wiseman Local Academy Committee every two years, or earlier if considered necessary.

Next Review Date: September 2018

LETTER 3

Dear.....

We have been in touch with you previously to make you aware that attendance had fallen below expected levels.

Your child has had a significant amount of time off school for medical reasons. Our records show that this academic year, your child has missed sessions due to illness.

We continually monitor the attendance of all children. It is important that wherever possible, your child attends school every day unless they are medically unfit to do so. In order to continue to authorise your child's medical absences, the school now require written medical evidence from your GP or hospital consultant for each period of absence.

If you feel that illness is an on-going cause for concern, please arrange to speak with our Learning Mentor who will be happy to discuss the issue and offer any support needed.

To clarify, future absences for illness will not be authorised without the production of medical evidence. Unauthorised absences can have legal implications.

LETTER 5

Dear

Our attendance records show that has been late on occasions during the last half term. We are sure you will understand that lateness can be very upsetting for the child who is late and for other children in the class. It is also very disruptive to the school day and young peoples' learning.

Why is Good Punctuality Important?

- 5 minutes late will mean your child loses 3 learning days every year!
- Good punctuality shows a pupil is ready and willing to work.
- Late arrival to class causes disruption for other pupils and to the lesson.
- Good punctuality is habit forming, so it is important that you arrive on time from an early age.
- Arriving early provides time for a chat with your friends.
- To prevent intervention from the Local Authority.

May we take this opportunity to remind you that the school day begins at 8.55am and children have access to school from 8.40am. We do hope that you continue to work with the school to ensureprompt arrival in the future.

If you have any queries or would like to talk to someone about punctuality or attendance, please contact myself or the Learning Mentor and we will be happy to make an appointment to discuss any issues you or your child might have. We do want to help.

Thank you for your co-operation,

Yours sincerely
