CATHOLIC SCHOOL

Dear Parent/Carer

As we approach the halfway point of the academic year, we would like to take a moment to reflect on all of the efforts that students have put into their studies so far, and congratulate your children, and yourselves, on the hard work that has been dedicated to making the school a success.

Our school's sports teams are coming back each week with wonderful tales of victory; the Chicago cast are working tirelessly to put on what will be a truly phenomenal production; many of our Y7 students are having a fantastic experience at the Alton Castle retreat; Sixth Form students have been to Cambridge, and students with upcoming examinations are working around the clock to make sure that they get the grades that they know they are capable of.

We know that our students can be incredible and so much has been achieved in just a few short months, so it is with great excitement that we approach the second half of the school year with so many more achievements to look forward to.

Thank you for your continued support. The Senior Leadership Team

Every year the Department for Education produces league tables for Post 16 education to enable comparisons to be made between schools and colleges. The table below shows the average progress made by students based upon their GCSE results compared to local schools.

Cardinal Wiseman Catholic School	0.09
Bablake School	0.09
Blue Coat C of E School	0.06
Stoke Park	0.05
King Henry VIII School	0.04
Caludon Castle	0.01
Finham	-0.08
Grace Academy	-0.26

If your child is late they are missing out and it will affect their learning. Any pupils arriving late will be placed into isolation for the first lesson in the hall. This includes all year groups 7-13.

The parents of all pupils arriving late will, from now on, be informed of their late arrival by text. More than 2 instances in a week will result in a lunchtime detention.

Give them the best possible start to the school day by ensuring they arrive before 8:55am

8:50am Your child has arrived in time to settle well and has the best start possible

8:55am Your child has probably just arrived after most children as the school day starts at this time

8:56am Your child is late and has missed the beginning of the school day, being a few minutes late often unsettles children and the lesson

9:00am 5 minutes late each day means 3 days lost a year

9:05am 10 minutes late each day means 6 lost days a year

9:10am 15 minutes late each day means 9 lost days a year

ATHLETICS

Congratulations to our athletics teams who competed at the indoor athletics competition on Friday 26th January at the Alan Higgs Centre. Both teams were fantastic in the track and field events. The girls' team came 2nd overall and the boys' team came

1st and will now progress to represent Coventry East at the next round of the competition on the 22nd March!!!

NETBALL

On 1 February the Year 9 Netball Teams played West Coventry Academy. The Year 9A team won 12-3 with Esther Tchapeu getting player of the match. The Year 9B team won 14-1 with Loane Tchoudi getting player of the match!

ROWING

Both girls and boys teams from KS3 and KS4 competed in the School Games Rowing Competition on Tuesday 30th January at the Alan Higgs Centre.

KS3 Girls totalled 3520m with Lael Kalala rowing 672m in 3 minutes.

KS3 Boys totalled 4095m with Merdi Mukaba rowing 792m in 3 minutes

KS4 Girls totalled 6101m with Nikola Kawa rowing 1136 in 5 minutes.

KS4 Boys totalled 6756m with Johnson Muzemba rowing 1207 in 5 minutes.

All the students were a credit to Cardinal Wiseman and hopefully all of the teams will qualify for the County Championships sometime in late March.

A big well done to our top ten attending tutor groups!
