Key quotes
LJS
 He was very tall and strong, with a face as big as a ham — plain and pale, but intelligent and smiling hopping about upon it like a bird
 and I thought I knew what a buccaneer was like — a very different creature,
 "Yes, my lad," said he; "such is my name, to be sure. And who may you be?"
BG
 What it was, whether bear or man or monkey, I could in no wise tell
 From trunk to trunk the creature flitted like a deer, running manlike on two legs, but unlike any man that I had ever seen
 His skin, wherever it was exposed, was burnt by the sun; even his lips were black, and his fair eyes looked quite startling
 Clothed with tatters of old ship's canvas and old sea-cloth, and this extraordinary patchwork was all held together by a system of the most various and incongruous fastenings, brass buttons, bits of stick, and loops of tarry gaskin
