CATHOLIC SCHOOL

LEADERSHIP UPDATE

Happy St Brigid's Day

Effective communication between home and school is vital to enable us to jointly support our students. In order for this to be most effective, please follow the guidance indicated in the diagram below. These processes are equally applicable for making contact during the school day or out of school hours.

Any urgent safeguarding concerns should be raised directly with Mrs Morris, Designated Safeguarding Lead or Miss Nicola Jones, Deputy DSL.

Accelerated Reader™

Jathushan Satkunapalan AR Millionaire

Well done to Jathushan Satkunapalan 8B who has become a word count millionaire.

This means he has read and understood enough books since September to bank a million words on the Accelerated Reader website.

He has been reading Robert Muchamore, Jeff Kinney and several graphic novels to help build up this brilliant total.

As part of the “Coventry Inspiration Book Awards”, a team from the “To be continued...” book group represented Cardinal Wiseman in a inter-school quiz.

The quiz was based on the eight shortlisted books in the “Hooked on Books” category of the awards.

The Year 7 and 8 students had read all eight books in preparation and joined ten teams from across Coventry at President Kennedy School to test their knowledge.

The team missed a podium placing by only a couple of marks but there were spot prizes for individual players and Wiseman’s team won more of these than any other school. Brilliant.

Applied Arts

Student of the Week

This week's Applied Arts Student of the Week is Georgia Squires, who is one of our Year 11 Food students.

Georgia has worked so hard in food, she gained top marks in her exam and is exemplary in her practical cooking - she is often described as 'teacher heaven'!

Well done, Georgia.
