CATHOLIC SCHOOL

## LEADERSHIP UPDATE

As we end another very busy half term it is important to reflect upon the time that we will spend over the next week with our friends, family and loved ones. The February half term break will mean different things to different people; for some it will mean more time to relax with family, for others it will mean opportunities to take part in sporting, acting and dance activities whilst for some of our examination students in Years 11 and 13, it will mean time preparing for the forthcoming examinations. To assist with this, many of the teachers from school have volunteered to give up their time during the holidays to provide extra tuition during the half term break, so please do look carefully at the revision schedule found in this newsletter. It is also important to remember that we must look after our children as they enter this important period of their lives and they must strike the proper balance between work and play. Rest and recuperation are just as important as the time they will spend revising as we remember the important words from John 10:10:

*"I have come that they may have life, and have it in all its fullness."*

## Changes to Leadership

After the February half term Mrs Morris will take up her new post as Head Teacher in a partner Diocesan school. She will continue to return to Cardinal Wiseman to teach her Year 11 maths classes but her departure necessitates a number of changes in responsibilities across the school as follows:

- Mr Everett will take up the post of **Vice Principal** from 25th February.
- Mrs Marshment (Assistant Head Teacher) will take up the role and responsibility of **Designated Safeguarding Lead (DSL)** and will become the primary contact for any concerns raised relating to Safeguarding issues.
- Mrs Hirons (Assistant Head Teacher) will lead on **Pastoral, Behaviour and Welfare** issues for pupils and will oversee all of our year teams.
- Miss Wale has been seconded to the Leadership Team as **Assistant Head Teacher** for Special Educational Needs and Inclusion (SEN).
- Miss Henbury has been seconded to the Leadership Team as **Assistant Head Teacher** for Teaching and Learning.

**After half-term, students should not bring to school equipment such as compasses, protractors, scissors and glue. The school will provide these.**

**Students will be expected to provide their own pens and pencils and may be given a sanction if they are not equipped to learn.**

# Thank you Mrs Morris

On Thursday this week, Fr Bob from St John Fisher came to celebrate Mass with staff at Cardinal Wiseman.

This special Mass was to give thanks for all the wonderful work and commitment Mrs Morris has dedicated to Cardinal Wiseman.

We pray for Mrs Morris as she starts her new role as Head Teacher at her new school.

Our sixth form students, Caitlin Smith Mcenery and Justin Fabales, have been working hard to help students learn more about who Cardinal Wiseman actually was.

They created this beautiful display so we can be reminded every day of Cardinal Wiseman's life and work.

**Parents of Year 8 students are warmly invited to a coffee morning on Friday 8 March**

This informal event will be held in our Library between 9.00—10.00am and will give you the opportunity to meet the team who oversee the pastoral care of your child.

This is not a compulsory event but we look forward to seeing any parent who wishes to come along for a chat.
