

Cardinal Wiseman
Catholic School
Part of The Romero Catholic Academy

PROVIDER ACCESS POLICY & CEIAG PROVISION

Responsible for Policy:	School Improvement Board (Interim Academy Committee)
Date of Policy:	December 2018
Date of Review:	September 2019

The school is named after Cardinal Nicholas Wiseman who became the first Cardinal upon the re-establishment of the Catholic hierarchy in England and Wales in 1850. His coat of arms is displayed on every student's blazer. The motto is 'All things for Christ' therefore faith is at the heart of everything we do, as well as recognising that we are all made in the image of God.

INTRODUCTION

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

STUDENT ENTITLEMENT

Students in Years 8 – 13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through option evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

MANAGEMENT OF PROVIDER ACCESS REQUESTS

Procedure

A provider wishing to request access should contact the relevant Head of Year. Please refer to our website for contact details of year staff.

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents. However, if you feel you could offer your support in this field please contact the relevant Head of Year.

PREMISES AND FACILITIES

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Head of Year or a member of their team.
