

Remote Learning Provision

**Cardinal Wiseman
Catholic School**

Part of The Romero Catholic Academy

Live Lessons

Where possible, a teacher will 'live' share the lesson, or part of it, where students can answer questions and see what would be on the board in class, and hear selected parts of the lesson.

Scheduled

If you cannot tune into your class live lessons, there will be a year group 'live lesson' at scheduled times throughout the week. These will cover the main topics from the week.

Uploaded

If you cannot access any live lessons, work will be uploaded to your Google Classroom area.

Packaged

If you cannot access Google Classroom, please let the school know and we will print off paper copies of work for collection or delivery.

In-school

If it is not feasible to complete any work at home safely, or you fit the Critical worker or vulnerable category, a place can be made available in school.
