

WELCOME TO CARDINAL WISEMAN CATHOLIC SCHOOL

‘ALL ABOUT YOU’

My name is: _____

My primary school is: _____

My teacher's name is: _____

So that we can find out as much as we can about you, we would like you to fill in the following pages with as much information about you as you can. This will help us to get to know you a little bit before we have the pleasure of actually meeting you.

We have enclosed an envelope for you to put the booklet in when it is complete. If you would like to put a stamp on the envelope and post it back to us that would be wonderful but if not just bring it with you when you do come to Cardinal Wiseman school and hand it to your teacher.

We look forward to reading all about you.
