1. Scope

The purpose of the policy scope statement is to guide the development of an institute policy by providing a summary of the proposed policy and ensuring that those who might be affected by a policy are identified, considered, and consulted.

2. Key Principles

The Academy Representatives of Cardinal Wiseman are committed to providing quality education for all its students based on equality of opportunity, access and outcomes. The Academy Representatives recognise that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is committed to implementing the principles and practice, as outlined in the Section 20 of the Children and Young Persons Act (2008).

The Guidance introduced two key measures, in order to improve multi-agency co-ordination and improve educational life chances for Children Looked After:

- Designated Teachers for every school.
- Personal Education Plans for all Children Looked After.

The Academy Representatives, in line with the School's ethos to ensure the dignity of each human person is respected, is committed to ensuring that Designated Teachers and staff are enabled to carry out their responsibilities effectively as outlined in the February 2018 statutory guidance (the designated teacher for looked-after and previously looked-after children).

3. Introduction

The school is named after Cardinal Nicholas Wiseman who became the first Cardinal upon the re-establishment of the Catholic hierarchy in England and Wales in 1850. His coat of arms is displayed on every student's blazer. The motto is 'All things for Christ' therefore faith is at the heart of everything we do, as well as recognising that we are all made in the image of God.

Cardinal Wiseman School, as a member of Romero Multi Academy Company, believes that all young people, whatever their background, are made in God's image and have unique talents. In Christ, all things are possible, and we believe that each individual is capable of learning and of experiencing success as a result of hard work, commitment, learning from mistakes, and guidance. Effective learning is a result of effort and persistence. All pupils are capable of growth and overcoming difficulties in learning. Pope Francis said: "Education cannot be neutral. It is either positive or negative; either it enriches or it impoverishes; either it enables a person to grow or it lessens, even corrupts him. The mission of schools is to develop a sense of truth, of what is good and beautiful."
